Dear Mr. Cronholm;

The Rist Canyon Volunteer Fire Department (RCVFD) wishes to thank you and your company, Ammex Masonry Inc. for the labor and materials contributing to the reconstruction of Station #4. Specifically your contribution of equipment and cleaning of the masonry. This full donation was instrumental in being able to finishing the rebuilding project of Fire Station #4 (109 Ridge Row Dr.) after the loss to the High Park Fire. This fire station will be a great asset in providing medical and fire response to our residents that live in this mountain community.

The Rist Canyon Volunteer Fire Department is a Colorado nonprofit corporation, income tax exempt under section 501-C (3) of the Internal Revenue Code. We operate with no tax dollars and are supported solely by donations along with annual fund raising events. The RCVFD fire fighters, medical responders and the entire community are grateful and appreciative.

Yours Truly,
Weke Chang
